

# ICSGE 2019

2019 THE 2ND INTERNATIONAL CONFERENCE ON SMART GRID AND ENERGY

APRIL 27-30, 2019

SINGAPORE

Submission Deadline:

January 20th, 2019

## PUBLICATION

Published in the special issue of **International Journal of Smart Grid and Clean Energy**. ISSN: 2315-4462 (Print); ISSN: 2373-3594 (Online) DOI: 10.12720/sgce

Indexing: EI (INSPEC, IET), Scopus, etc

## TOPICS

Green energy  
Advances in green energy technologies  
Advantages and disadvantages of green energy  
The future of green energy systems  
Renewable energy  
Biofuels  
Bioenergy

Green technology  
Energy conservation  
Sustainable energy policies  
Green economy  
Energy and environment  
Nano environmental technologies  
Bioremediation  
Vehicular electronics and telematics

Sustainable development  
Energy storage and management  
Power electronics and energy conversion  
Health monitoring  
Microgrid, smart grid, cloud systems  
Smartmeters, electronic for transmission technologies

## KEYNOTE

Prof. Wang Peng,  
Nanyang Technological University, Singapore

Prof. Jen Tien-Chien  
University of Johannesburg, South Africa

Prof. Kei Eguchi  
Fukuoka Institute of Technology, Japan

## COMMITTEE

Conference Chairs

Prof. Wang Peng, Nanyang Technological University, Singapore  
Prof. Christopher Chao, The University of Hong Kong, Hong Kong

Program Chairs

Prof. Jen Tien-Chien, University of Johannesburg, South Africa  
Prof. Kei Eguchi, Fukuoka Institute of Technology, Japan

Steering Committee

Dr Thillainathan Logenthiran, Newcastle University, Singapore  
Dr. Venkat Subramanian, Nanyang Technological University, Singapore  
Local Chair

Dr. Thaiyal Naayagi Ramasamy, Newcastle University, Singapore
