

DECEMBER 12-14, 2025  
GUANGZHOU, CHINA

# 2025 INTERNATIONAL CONFERENCE ON SMART GRID AND ENERGY

*Call For Papers*

## CONFERENCE COMMITTEE

### Conference Chairs

**Jizhong Zhu**, South China University of Technology, China, IEEE Fellow

**Joe Dong**, Nanyang Technological University, Singapore, IEEE Fellow

### Conference Co-Chairs

**Wenhu Tang**, South China University of Technology, China, IET Fellow, CSEE Fellow

**Hongjie Jia**, Tianjin University, China, National Science Fund for Distinguished Young Scholars

### Program Chairs

**Chunhua Liu**, City University of Hong Kong, China

**Tao Yu**, South China University of Technology, China

**Justin Pang**, Singapore Institute of Technology, Singapore

**Jiang Fan**, Singapore Polytechnic, Singapore

### Program Co-Chairs

**Junbo Zhang**, South China University of Technology, China

**Zhifang Yang**, Chongqing University, China

**Viboon Sricharoenchaikul**, Chulalongkorn University, Thailand

## TOPICS

 More topics, please visit: <https://www.icsge.org/cfp.html>

1. Microgrid, smart grid, cloud system
2. Large power grid security control
3. Communication-based control and protection
4. Energy transfer and interaction technology
5. Smart sensors and advanced metering infrastructure
6. Smart grid safety and reliability
7. Smart grid testing and evaluation technology
8. Smart grid implementation and field test
9. Smart grid network and communication
10. Smart grid network and physical security
11. Smart grid strategy
12. Power Electronics and Energy Conversion
13. Energy storage and management
14. Electronic smart meters for transmission technology
15. Embedded and autonomous systems
16. Distributed resource integration

## PUBLICATION

The submission of ICSGE 2025 will be carefully double-blind peer reviewed by Technical Program Committee and sub-reviewers. ICSGE2025 will be **collected in the IEEE conference proceedings and included in IEEE Xplore**, which will be indexed by **EI Compendex** and **Scopus**, etc.

## IMPORTANT DATE

**Submission Deadline:** November 15, 2025

**Listener Registration Deadline:** December 07, 2025
